

French 480: Women in French Society Seminar

Tuesday February 21 - Thursday February 23
6:00pm - 10:20pm; 1 Unit

The American Myth of the French Woman:
How has American thought created or contributed to the myth of the French woman? How do our perceptions of others affect their reality? Learn about the global impacts of stereotypes and the reactions of diverse French women, feminists and intellectuals. Bring your own perceptions and ideas to this interactive seminar.

In English and open to all!
